# Explore Your Creativity

**With Barbara Greenspan & Cape Cod Arts & Art Therapy Inc.**

Explore Your Creativity by Making Animals: hand build a clay animal to hang on the wall, create an upcycle animal art project using some recycled materials, glaze bisque clay piece and finish clay animal piece with wire, fabric and feathers. Barbara has been working with children and teens for over 30 years building awareness and self-esteem while providing them with an artistic outlet. Learn more about Barbara at
